Sri. Mohamed Aslam P.K, Final Year Architecture Student of T.K.M. College of Engineering, Quilon bagged the First Place in the Design Competition organized by National Transportation Planning and Research Centre (NATPAC) and Science and Technology Department (STEC), Trivandrum. The Project was to design the Office Complex for NATPAC and STEC which is going to be put up in Trivandrum at Pattom.

An overwhelming number of Architecture and Civil Engineering students took part from various engineering Colleges all over Kerala. The Design entries were evaluated by a panel of Experts including Architects and Engineers.

The distribution of Prize and Commendation Certificates will be awarded by the Hon. Chief Minister of Kerala, K.Karunakaran in the foundation stone laying ceremony of NATPAC and STEC Office Complex at Trivandrum. Sri.Mohamed Aslam son of P.Kunhimoideenkutty is the native of Kondotti, Malappuram.
